PROJECT EXPERIENCE

Roll Player Creator —

- Android OS dice roller and character creator for the Pathfinder roleplaying game.

WORK EXPERIENCE

Vetran Chef — Madison's Cafe of O'fallon, MO

April 2015 - Present

- Manage and checkout a team of chefs and dishwashers for closing duties and cleanliness of the restaurant.
- Work in a team-friendly environment, to produce a spectacular product on time, every time.
- Manage a team of morning chefs to setup and open the restaurant in a timely and safe manor.
- Created the training and reference manual for entry-level chefs. This provided the references necessary for new-hires to start learning self-sufficiency on the salad station.

EDUCATION

LaunchCode, LC101 Programming Course — Winter 2019

St. Louis Community College, Forest Park, Associate degree in Culinary Arts — 2014
